SPECIFICATION

Code:	OB100MF
Dimensions:	40cm x 50cm
Pack Quantity	100
Absorbent Capacity:	100 litres
Packaging:	Poly wrapped

Oil Absorbent Pads

Oil Absorbent pads specifically designed to absorb oils and fuels in all applications indoors and outdoors. Their water repellent properties provide maximum absorbency without waste even when water is present. Suitable for use in workshops, production areas, maintenance facilities and environmentally sensitive locations.
