OSKB

250 Litre oil & fuel Spill Kit in wheelie bin. For quick response to spills of oils, fuels and solvents. Contains absorbent socks to contain spills and protect drains and absorbent cushions, rolls and pads to soak up spilled liquids. Plug Rug drain covers enable easy sealing of nearby drain to prevent the spread of contamination and reduce the risk of environmental pollution. Plugging granules can be quickly mixed with water and applied to containers to provide a temporary seal to prevent further spillage. Disposal bag and zip-tie included. Instructions for use clearly displayed on interior label. Barrier tape to indicate and seal off affected area.
